Providers **must** return **all** assessments (this includes unused papers) to Open Awards on the day, or at the very latest the day after an assessment has taken place for security reasons. Failure to comply may result in a delay to the result release and could result in a sanction and the refusal to process any further paper-based assessments.

If the assessment is sat in the last 2 days of the Exam Window, please make sure to return first class (recorded delivery) on the day of assessment. This will allow us time to upload the assessment to the system for marking.

There is an additional charge **per learner, per assessment paper** for all Functional Skills paper-based assessments. This is in addition to the registration fee. The fee will be applied upon the scheduling of the paper-based assessment and is non-refundable. Please see our [website](#) for current pricing information.

Please note, the dates specified will be the latest date the results will be released. Results release dates will be reviewed once the awarding process is complete for all available assessment versions.
